

**PROFESSIONAL EXECUTIVE
DEVELOPMENT (PED)
PROGRAM
2007/2008 Intake**

“Begin your journey now and take this opportunity towards your next career move!”

**MIDWEST MISSOURI
UNIVERSITY
USA**

*Professional Executive Development
Program (PED)*

*Enrol in the Professional Executive Development Program
... It's not Where You Are but Where You Want To Be!*

Our PED Program has been designed specifically for working professionals who are serious about moving ahead in their careers. It is a unique learning experience that gives you the ability to approach new corporate challenges with confidence.

Midwest Missouri University USA (MMU-USA) offers you lifelong learning programs for knowledge-based economies. We encourage practical applications of knowledge, individual initiative, self-motivation and new learning. Our unique PED Program is intensely practical, with instant learning scenarios that are applicable to your employment situations.

Result-Oriented

Adding Value

Highly Innovative

Entrepreneurial Spirit

Powerful Ideas

Affordable & Flexible

The PED Program will update your expertise, improve your effectiveness, and add valuable credentials to your resume. Participants who successfully complete the eight modules of practical learning will be **conferred a Professional Executive Diploma In Corporate Management & Leadership Competencies (CMLC), which can be extended to Professional MBA.****
